

Dr. Hüseyin YILMAZ completed his BA in Metallurgical Engineering in 1994 and his MA in Metallurgy and Materials Science in 1997 at Middle East Technical University. He received his PhD in Materials Science and Engineering from Pennsylvania State University in 2002.

He has been working at Gebze Technical University, Department of Materials Science and Engineering. Since 2003.

2006-2008 Postdoctoral Study at Advanced Sintering Technology Group, Advanced Manufacturing Research Institute, National Institute of Advanced Industrial Science and Technology, AIST, Nagoya, Japan

2010-2011 Worked as Visiting Researcher at Inorganic Based Plastics Group, Advanced Manufacturing Research Institute, National Institute of Advanced Industrial Science and Technology, AIST, Japan

2011-2015 Assoc. Dr. Gebze Technical University

2015- Prof. Dr. Gebze Technical University

He is working on processing and electrical characterization of electroceramics and solid oxide fuel cells.
